MUSTO WINE GRAPE WINEMAKER BOOTCAMP

The only hands-on winemaking bootcamp in New England. Musto Wine Grape Company is pleased to announce the five week class for beginner winemakers in the art and science of making wine. This course offers each student the opportunity of experiencing hands-on winemaking and covers the science behind modern wine making, including crushing and destemming, measuring and adjusting the juice or must, yeast preparation, fermentation, nutrients, pressing and post processing of finished wine. Classes will be 3 hours each Saturday in the offices and winemaking showrooms of Musto Winegrape Co, 101 Reserve Road, Hartford, CT, 06114.

CLASSES START: FALL BOOTCAMP SESSION 1: SEPT. 21ST FALL BOOTCAMP SESSION 2: OCT. 19TH

Week

- 1 Intro to winemaking and equipment
- 2 Measuring and adjusting sugar, PH, & acid
- 3 Red wine making – step by step
- 4 White wine making – step by step
- 5 Yeast (selection & rehydration) & Malo (co-inoculation, sequential, post inoculation, measuring)

Session 1: Beginning Sept, 21st, Saturdays from 9:00AM-12:00PM

Session 2: Beginning Oct. 19th, Saturdays from 1:00-4:00PM

INSTRUCTOR: FRANK RENALDI

Frank Renaldi has been making wine for over 14 years and has served as a consultant to wineries. Frank possesses a wide breadth of experience in winemaking from kits, to juice, fruits, grapes and even fortified wines. He devotes a lot of time toward honing and expanding his winemaking skills and knowledge by attending conferences and seminars. He is also a member of the American Wine Society.

TUITION FEES

Cost of Class

We are currently accepting enrollment for our 5 week course with lecture and hands-on class. The cost is \$150/student.

Cost of Grapes for Winemaking

For an extra \$150.00 you can bring home 5 gallons of the wine being created in class and finish out the process at home.
